Esercizio di stile → Classe e raffinatezza sono gli aggettivi che meglio esprimono il carattere di queste sedute, adatte alla casa come al contract e disponibili in noce, rovere o faggio. Le loro linee geometricamente pure, ispirate alla migliore cultura italiana dell'arredo, sono ammorbidite dal sedile imbottito, disponibile in diversi tessuti e colori, per dare un tocco di personalizzazione in più. **An exercise in style** → Class and refinement are the words that best express the character of these chairs, equally suitable for the home or for contract, and available in walnut, oak or beech. Their pure geometrical lines draw on the best of Italian design culture, softened with a cushioned seat, available in a choice of fabrics and colours, to give that extra personal touch.

Per tutti i gusti → Prendete un sedile ampio ed accogliente, una struttura snella ed elegante, quattro diverse versioni di schienale ed un pizzico di creatività in più. Questa è la ricetta di Flecta, una sedia in cui il sapore della tradizione si fonde con il piacere del comfort e dell'attualità, in perfetta armonia con la cucina contemporanea ed i ristoranti di tendenza. **For all tastes** → Take a cosy, roomy seat, a slender, elegant frame, three different versions of the back, and an extra touch of creativity. This is the recipe for Flecta, a seat blending a feel for tradition with the pleasure of comfort and modernity, the perfect addition to a contemporary kitchen or a trendy restaurant.
